

National Weather Service Open House

You are cordially invited...

The NWS Weather Forecast Office and West Gulf River Forecast Center in Fort Worth are hosting an Open House for our emergency management, media, water resource, and government partners. We will be providing tours of our facility and showcasing the latest in our forecast and warning operations.

Please join us on **Wednesday, July 1, 2009 from 9 AM to 3 PM.**

We will be hosting tours throughout the day from 9 AM to 3 PM. Please expect to spend around 1 hour and 30 minutes for a tour and meeting with our staff.

Due to limited parking and space within our facility, **we are asking our partners to RSVP** with an approximate time of arrival (mid morning, early afternoon, etc).

Please RSVP to:

**Gary Woodall, Warning Coordination Meteorologist
National Weather Service Fort Worth, TX
at Gary.Woodall@noaa.gov**

Our address:
3401 Northern Cross Blvd.
Fort Worth, TX 76137

We are located just south of the intersection of
NE Loop 820 and Beach Street in north Fort Worth.
